HRCDC

Securing the future for generations to come

COVID-19 demonstrated that reliable childcare is essential to the economic well being of our community.

Our program has been housed in local churches in downtown Harrisonburg for 52 years, first in Asbury United Methodist and currently in Muhlenburg Lutheran Church. While the generosity of the churches has been invaluable, sharing space with other programs has limited our ability to keep pace with community needs. Our wildly successful fundraiser— Dancing With the Stars of the 'Burg—raised more than \$1.2 million since 2010, allowing HRCDC to acquire a property in downtown Harrisonburg.

This property, located at 44 Federal Street, will meet the needs of today's programs while providing HRCDC with the footprint to meet the future needs of our growing community.

Closing the Gap: \$350,000 still needed

Thanks to the community's support we were able to pay off our building in December 2022. Funds raised have also paid for architectural designs and plans, engineering and site work, commercial kitchen equipment, and asbestos removal. We are excited that construction is underway for the first phase of renovations. With a budget of \$1.3 million, this phase will be completed in time to move our current program of 2-5 year-olds into the new building by the start of the 2024 school year. Please help us close the funding gap with your naming sponsorship, donation, or multi-year pledge.
